

Acknowledgments

The Sonoma Valley Groundwater Sustainability Agency gratefully acknowledges funding contributed by the California Department of Water Resources (DWR) through the Water Quality, Supply, and Infrastructure Improvement Act of 2014 (Proposition 1) and the California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access for All Act of 2018 (Proposition 68) and through an agreement with DWR. Additional funds and in-kind support were provided through the generous contributions of the following local agencies:

- Sonoma County Water Agency (Sonoma Water)
- County of Sonoma (County)
- City of Sonoma (Sonoma)
- Valley of the Moon Water District (VOMWD)
- Sonoma Resource Conservation District (Sonoma RCD)
- North Bay Water District (NBWD)

**NORTH BAY
WATER DISTRICT**

Melissa Rohde, The Nature Conservancy

Rural Residential Growth

Pete Parkinson in consultation with Permit Sonoma, Sonoma County Transportation Authority, Association of Bay Area Governments, and the City of Sonoma

Special thank you to:

- Past Board and Advisory Committee members.
- The Sonoma Valley Groundwater Management Plan Basin Advisory Panel and Technical Advisory Committee, with additional thanks to Ed Nelson, Kathy Pons, and John Robb who volunteered countless hours collecting valuable groundwater-level data, which has been used in this Groundwater Sustainability Plan.
- All members of the public who attended Board and Advisory Committee meetings and public workshops, hearings, and events. Your contribution to this document was invaluable.
